Michael,

Please see attached revised version and let me know if you have any questions. I ask that if you're not going to incorporate or address my changes/comments, PLEASE COME TALK TO ME ABOUT THE SPECIFIC ISSUE. I find it very frustrating to have to make some of the same changes/comments again that I made on the earlier version, with no explanation from you about why my changes didn't make sense or didn't warrant inclusion.

Note that in addition to the changes and comments that you'll see in track changes, I also made (and accepted) a bunch of minor formatting-type changes.

Thanks very much for your work on this!
-Becky
